To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is on that account, if no other, the best medium for advertising.

Local Items.

Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

IMPORTANT ARREST.—Mr. Rhind, manager of the Quebec, was arrested Wednesday morning, on a charge of perjury.

THE DINING ROOMS kept in successful operation by Messrs. Downing & Steere, on Lake street, comprise an institution entirely worthy of notice in the TRANSCRIPT, but which has thus far received none. We know that a good meal or a capital lunch can be had there at any reasonable time, and that it is one of the most quiet and well kept places in town. "Leslie" knows how to administer gastronomic consolation, and many there be who have found it out.

DESTRUCTIVE FIRE AT BELLOWS FALLS.—The Bellows Falls Hotel, Woods' Block, King's building, and a harness shop in Bellows Falls were destroyed by fire early yesterday morning. The heaviest loss is O. F. Woods, proprietor of the Bellows Falls Hotel, Woods' Block and drug store, whose loss is estimated at \$8,000. This is the third time Mr. Woods has been burned out. Among other sufferers are G. O. Guild, & Co., dry goods dealers; Samuel Guild, clothier; and King Solomon's Lodge F. & A. M., the Masonic Hall being in Woods' Block.

TRIAL OF REAPERS AT SHELBURN.—There will be a trial of reaping machines on the farm of Ezra Meech, in Shelburn, on Tuesday next, (August 4th), at one o'clock in the afternoon. As a general invitation is extended to all the machines in the State, an interesting trial of the respective merits of the different machines entered may be expected.

VALUABLE TEAM.—Messrs. Gilmore & Brainerd, of St. Albans, sold to Frank Twitchell, of Boston, last summer for \$900, a span of horses purchased by them from R. R. Cushman, of Georgia. These horses were sired by James Ryan's Black Hawk, then and now kept in Fairfield, one of the best horses of that blood in Vermont. The team spoken of was recently sold by Mr. Twitchell for \$1,900, an advance of 1,000 on the last previous sale.

PIE PLANT.—Mr. U. M. Sullivan, of Highgate Falls, has placed upon our table a leaf from a rhubarb or "pie" plant measuring three feet and four inches across, and eight and one half inches around the stem. If Eve had possessed one of these leaves we never should have heard of her making a dress of any other, probably. Mr. S. has roots of this plant for sale, and every garden ought to be supplied with one.

CARD.

The Officers and Members of Frontier Engine Company, No. 2.

Herby extend to the Hon. Bradley Barlow, our heartfelt thanks for the munificent donation of One Hundred Dollars, received from him through our worthy Chief Engineer, C. F. Safford, Esq., with the following communications accompanying:

ST. ALBANS, July 27, 1868.

C. F. SAFFORD, Esq.,
Chief Engineer Fire Dept., of the Village of St. Albans.

DEAR SIR,—I enclose two hundred dollars herewith, which divide equally between the two Fire Companies in this village, to be used by each company as they see fit; and ask them to accept it as a token of my appreciation of their services, in protecting the property of citizens of the village.

You will also please express to the members of each company, my thanks for their exertions in protecting my property on the occasion of the recent fire.

With many wishes for the success of the organization of which you are the chief,

I remain

Yours truly,

BRADLEY BARLOW.

ST. ALBANS, July 28th, 1868.

Mr. J. P. FISK,
Foreman, Engine Co. No. 2.

DEAR SIR,—It affords me very great satisfaction to hand you the accompanying letter and enclosure from our friend and fellow-citizen, the Hon. Bradley Barlow, showing, as it does, his appreciation of the services of our Firemen. Please convey to the members of your Co., my sincere congratulations and thanks for their efficient services, and my best wishes for their welfare.

Very truly yours,

C. F. SAFFORD,

Chief Eng. Fire Dept.

And while we acknowledge his appreciation of our endeavors to protect the property of our fellow citizens, and recognize in him a firm friend to our organization, may we not forget that far greater exertions may be required of us in the discharge of our duty as firemen, through which accident and disability may occur to some of us; We therefore resolve—

That the above donation be held in trust as the foundation of a fund for the benefit of those who may meet with accident in the discharge of their duty, and shall be known as the Barlow Firemen's Fund of Frontier Engine, No. 2. And that the Foreman, first and second Assistants, Clerk and Treasurer of said Company, constitute a Board of Trustees, who shall be held responsible for the proper disposition of the same.

That we may be in reality what we have adopted as our motto "Ever Ready."

It was further resolved that the foregoing resolutions and communications be published in the daily papers of St. Albans, and copies of the same sent to the Hon. Bradley Barlow, by order of the Company.

J. P. FISK, Foreman,
A. W. CLARK, 1st Assistant,
GERRITT COPPS, 2nd Asst.,
H. P. ALDRICH, Clk & Treas.

A GOOD EXAMPLE.—A Vermont exchange commends the following as a good example to be followed in this State:

A few days ago a gentleman visited Wooster, Ohio, looking for a site on which to locate a paper mill. A soon as his errand was known, the business men of the place, instead of raising their rents and the price of lots, at once proposed to furnish him, free of cost, a suitable site, and a steam engine to run his machinery. He accepted the proposition, and is making arrangements to erect a mill that will cost about \$85,000.

To this we may with great propriety add a word by way of suggestion. It is well known to the business men of our town that a company has been incorporated by act of the last Legislature, for the purpose of introducing the manufacture of paper into St. Albans. We are sorry to say, however, that the enterprise has not met with sufficient pecuniary encouragement. The plan is a noble one, and if carried out would result in giving additional importance to St. Albans as a business place. But no offer has, so far as we are informed, been made of a suitable site, and hence the work languishes. If as liberal an offer should be made here as the Ohio people made so freely, the beneficial results which would follow can easily be imagined. There would be given additional employment to mechanics, and those who come from abroad, like Mr. St. Clair, from St. Johns, would be added to our population; and the works, when once in running order, would give permanent employment to many hands. It is singular that even the liberality which secures a greater return than the amount bestowed should be withheld by our citizens. We fear that our place will never prosper so long as this penny-wise policy is pursued.

ARREST OF A HORSE-THIEF.—A young man by the name of Welcome was arrested at Milton on Tuesday, charged with stealing a horse and wagon in Hinesburgh. It seems he hired the team the evening previous to go to Richmond, but instead proceeded to Milton, and tried to sell the property for \$225.

SEIZURE AT ESSEX JUNCTION.—Deputy Inspector Geo. B. Isham paid a visit to L. H. Slater's saloon at Essex Junction, Tuesday, and seized a quantity of smuggled brandy, which he carried to the depot and stored in a small room used by the Express Company. On going for the liquor at a late hour Isham discovered that the room had been entered and the liquor stolen. He (Isham) then claimed pay of the express company for the liquor, which Mr. Williams, their agent, refused on the ground that the liquor was not placed in his charge, with the further statement that he did not know it had been left in the depot. Isham, under the impression that Slater had stolen the "fluid," then went to his saloon and, as a State officer, seized liquor valued at between two and three hundred dollars, under the prohibitory law. Slater asked him for his warrant, which he refused to show, when Slater attempted to prevent his entering the saloon. He at once struck Slater, giving him a black eye, and he in return severely pounded Isham, who, however, with the assistance of Deputy Sheriff Ashley, succeeded in overpowering Slater and removing the liquor to the depot, from whence it was shipped to Burlington. The citizens of the Junction so sympathized with Slater that Isham could not hire a wagon to carry the seized brandy to Burlington. The matter is now undergoing a legal investigation; State's Attorney Engleby, for the State; R. S. Taft for Slater.—*Burlington Times*.

THE EXCURSION.—The Sabbath School of the Congregational Church of St. Albans made an excursion among the islands on the lake to-day, accompanied by the St. Albans Brigade Band. The party proceeded to the bay in carriages, making, with the band at the head, a good display as a procession. The day has been a fine one for the party, and the excursion has been heartily enjoyed, no doubt, by all concerned in it, especially the children for whose enjoyment it was planned.

MYRON BUCK,

General Agent For Vermont.

ST. ALBANS, VT.

At the present time there is much competition among Life Insurance Companies, and many agents are far too regardless of the truth, in statements when soliciting for risks, hence it is all important for persons intending to insure their lives, to insure only with agents whom they know to be reliable, again it is always most satisfactory for parties assured to have their risks with Local agents, then there is no difficulty or danger of loss in transmitting premiums. Persons intending to insure their lives will find it for their advantage to see the agent of the Guardian Mutual before insuring elsewhere.
